1: Identification of	f substance / mixture			
1. Product Identif	fier			Mixture
Product Name	LB Broth Low Salt Ani	nal Free		
Product Code	L24360			
CAS Number				
Other Names	Lennox LB Broth, Anima	l Free		
IUPAC				
MFCD Number				
EC/EINECS				
REACH Number			Index-No	
	ified uses of the substand	o or mixture and		
Research and Dev			uses auviseu against	
3. Details of the s	supplier of the safety data	sheet	N / I	FORD
Melford Laboratori	es Ltd			FURD
Bildeston Road,Cl	nelsworth			
lpswich		Talaakaaa	04440 744470	
Suffolk IP77LE		Telephone: Fax:	01449 741178 01449 741217	
UK		Email:	support@melford.co.uk	
<b>4. Emergency tel</b> +44(0)1449 74117				
2. Hazards Identif				
1. Classification	of the substance or mixtu	re		
Non nazaruous				
2. Label elements	6			
Non Hazardous				
Non nazaruous				
Hazard Statemer	nts			
Non Hazardous				
Precautionary P	hrases			
Non Hazardous				
3. Other Hazards				
Non Hazardous				
3. Composition / In	nformation on Ingredients			
1. Substances				
Product Name		Hazards		Concentration
LB Broth Low Salt	Animal Free			
				<=100%
1 First Aid Mass	IKO O			
4. First Aid Measu				
	first aid measures	hu of open and wat		
Skin Contact	Wash immediately with plen	ly of soap and water.		
Eye Contact	Bathe the eye with running v	vater for 15 minutes.		
Ingestion				

	Nach out mouth with water	
C C	Wash out mouth with water. Consult a doctor.	
Inhalation S	Supply fresh air; consult a doctor in case of complaints.	
2. Most important s	ymptoms and effects	
No data available		
3. Indication of any	immediate medical attention	
No data available		
5. Firefighting measu	res	
1. Extinguishing Me	edia	
C A	Vater spray. Carbon dioxide. Alcohol or polymer foam. Dry chemical powder.	
Unsuitable N	lone	
-	arising from the substance or mixture	
In combustion toxic fu	umes may form.	
3. Advice for Fire Fi	ighters	
Wear self-contained h	preathing apparatus.	
	e Measures	
6. Accidental Release

professionals only.

# Safety Data Sheet

# 8. Exposure Controls/Personal Protection

# **1. Control Parameters**

No Data Available

2. Exposure Controls	
General protective and hygiene measures	The standard precautionary measures should be adhered to when handling
Engineering measures	Provide appropriate exhaust extraction where dust is formed.
Eye / Face Protection	Safety Glasses. Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU)
Hand protection	Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and the standard EN 374 derived from it
Respiratory protection	Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).
Skin protection	Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place., The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.
Other personal protection advice	no data available

# 9. Physical and Chemical Properties

# **1. Physical and Chemical Properties**

Appearance	tan solid		
Odour	characteristic odour		
Odour threshold	No Data Available		
PH	No Data Available		
Melting point / Freezing point	No Data Available		
Initial boiling point and boiling range	No Data Available		
Flash point	No Data Available		
Evaporation rate	No Data Available		
Flammability(solid,gas)	No Data Available		
Upper/lower flammability or explosive limits	No Data Available		
Vapour pressure	No Data Available		
Vapour density	No Data Available		
Relative density	No Data Available		
Solubility(ies):	Soluble in water		
Partition coefficient: n-octanol/water	No Data Available		
Auto-ignition temperature	No Data Available		
Decomposition temperature	No Data Available		
Viscosity	No Data Available		
Explosive properties	No Data Available		
Oxidising properties	No Data Available		

# 2. Other Information

No additional information available

<ol><li>Stability</li></ol>	and	Reactivity
-----------------------------	-----	------------

1. Reactivity

#### no unusual reactivity

## 2. Stability

Stable under normal conditions.

## 3. Possibility of Hazardous Reactions

no hazardous reactions known

# 4.Conditions to Avoid

Moist Air.

# 5. Incompatible Materials

Moist Air.

#### 6. Hazardous Decomposition Products

In combustion emits toxic fumes.

### 11. Toxicology information

1. Information		
Acute Toxicity	No information available	
Skin corrosion/irritation	No information available	
Serious eye Damage/irritation	No information available	
Respiratory or skin sensitisation	No information available	
Germ Cell mutagenicity	No information available	
Carcinogenicity	No information available	
Reproductive toxicity	No information available	
STOT-single exposure	No information available	
STOT-repeated exposure	No information available	
Aspiration hazard	No information available	

#### 2. Additional

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. The toxicological properties have not been fully investigated

## 12. Ecological Information

## 1. Toxicity

No information available

#### 2. Persistence and degradability

Biodegradable

### 3. Bio-Accumulative Potential

No information available

## 4. Mobility and Soil

No information available

#### 5. Results of PBT & vPvB assessment

No information available

Safety Data Sheet

# 6. Other adverse effects

No information available

# 13. Disposal Considerations

#### 1. Waste Treatment Methods

Disposal Operations Consult state, local or national regulations for proper disposal.

Disposal of Packaging Disposal must be made according to official regulations.

#### 14. Transport Information

#### Air (ICAO)

Not classified as hazardous for transport

#### Road (ADR)

Not classified as hazardous for transport

#### Sea (IMDG)

Not classified as hazardous for transport

#### 15. Safety, health, environmental and national regulations

#### 1. Safety, health, environmental and national regulations:

product is not subject to any additional regulations or provisions

#### 2. Safety Assessment

No Chemical Safety Assessment

## 16. Other Information

#### 1. Other Information:

ADR: Accord Europeen sur le transport des merchandises Dangereuses par Route(European Agreement concerning the International Carriage of Dangerous Goods by road)

RID:Reglement International concernant le transport des merchandises dangereuses par chemin de fer (Regulations concerning the International transport of Dangerous Goods by Rail)

IMDG: International Maritime Code for Dangerous Goods

IATA: International Air Transport Association

IATA-DGR: Dangerous Goods Regulations by the International Air Transport Association

ICAO:International Civil Aviation Organization

ICAO-TI: Technical Instructions by the ICAO

GHS: Globally Harmonized System of Classification and Labelling of Chemicals

CAS:Chemical Abstracts Service

#### 3. Disclaimer

The product listed is for research and development purposes only and not for human or animal use. As such, in most cases, the toxicological, ecological and physicochemical properties have not been fully determined and the product should be treated with respect and always handled under suitable conditions by appropriately qualified personnel. The responsible party shall use this datasheet only in conjunction with other sources of information gathered by them, and should make an independent judgement of suitability, to ensure proper use and protect the health and safety of employees. This information is furnished without warranty and any use of the product not in conformance with this material safety data sheet, or in combination with any other product or process, is the responsibility of the user.
